If there is anything you wish to talk about, please do not hesitate to make an appointment to meet with us.

If you can, or know anyone who would be willing to, share any knowledge or expertise with the class in relation to the topics we are covering this term, we would be very grateful.

Just to let you know:

- Please remember, children should not enter school until 9am with their teacher
- Children are encouraged to bring a bottle of water for lesson time and they are able to refill their bottle during the day
- In Year 1, PE lessons are on a Monday and a Friday, but it would be helpful if PE kits could be in school all week
- Reading books are changed on a rota basis so it is beneficial for your child to have them in school everyday.

Thank you.
